Committee Updates –

A.

1. Crazy Day - was held the previous Saturday, they served approximately 200 people. While there were Children at the inflatable’s Daryn had a hard time finding enough help to make things run smoothly. He also felt that it would have helped to hold a committee meeting and start the planning process earlier. Next year maybe a pancake feed would be more successful than the brat feed.
2. Pheasant Release – Joe has spoken to 2 businesses already that want to sponsor a bird for the pheasant release. He would like to release 15 birds for the 2012 hunting season.
3. Christmas on the Prairie – Shar & Katie will be contacting their committee members soon to start planning for this event. They will be holding a planning meeting in mid-august.

B. Ranch Rodeo – This event is usually held in mid-September. Amy will email everyone the information that they need for selling ads.
