Water Babies: The Water Babies program focuses on water orientation with the assistance from a parent or guardian. We encourage infants 6-18 months to participate in this class. The Aqua Tots program focuses on water comfort and very basic water skills. Aqua Tots is similar to our first Pre-School lesson but with a parent or guardian in the water. We encourage toddlers 18-36 months to participate in this class. Class ages are just a suggestion and are flexible due to comfort and ability.

Aqua Tots: This program focuses on water comfort and very basic water skills. Similar to the first Pre-School lesson, but with a parent or guardian in the water. Toddlers 18-36 months encouraged to participate in this class. Class ages are just a suggestion and are flexible due to comfort and ability.

Pre-School: Children ages 3 and 4 learn water safety, survival skills and foundational swimming concepts in a safe and fun environment. Skills are age-appropriate, allowing students to achieve success on a regular basis.

Level 1: Helps children become comfortable in the water and basic water safety.

Level 2: Builds on Level 1 and introduces fundamental skills, such as kicking and paddling.
